

**REPUBLIC OF KENYA
IN THE HIGH COURT OF KENYA
AT MOMBASA**

Civil Suit 98 of 1998

SALIM AMIR PLAINTIFF

VERSUS

KHAMIS SAID

BENSON MBALLURU RAHIMO DEFENDANTS

JUDGMENT

The Plaintiff is the administrator of the estate of **Khamis Salim Amir** alias **Nasser Salim Amir** who died as a result of a road accident which occurred on 20/1/1997 on Mombasa/Nairobi Road at Mbita. The deceased was a passenger on motor Vehicle No. KAD 482W. Another vehicle KXC No. 000 Nasser Bus owned by first Defendant and driven by second defendant his authorized driver was so negligently driven that the said KXC 000 collided with the vehicle KAD 482W. The deceased sustained serious injuries of which he died. The particulars of negligence are set out in the pleadings.

The special damages incurred by the deceased estate are pleaded totaling Shs. 17,000/-. The defendants denied the claim and blamed the owner of the vehicle KXC No. 000 for the accident.

The party **Nasser** against **Mohammed Ibrahim** was filed on 20/1/2000.

The first defendant on 27.2.02 when the plaintiff gave evidence. He testified that his son the deceased was brought to his home in Jamvu with serious injuries. He had a nail in his front skull but he died on the way to the hospital.

He was a butcher and was going to Mbarani to the slaughter house. He was in the vehicle of Vingo Butchery when it collided with a bus on the main Nairobi/Mombasa Highway. The death was reported to police. The birth certificate and death certificate were produced as exhibits. He was issued with police abstract, P3 form and he obtained a limited grant to enable him to file this suit.

The deceased was married and had 3 children. The Plaintiff said he and his wife were depending on the deceased being a son. No records of business were exhibited but butchers licenses were shown. He also testified that he paid funeral expenses of shs. 2,000/- and for limited grant 5,000/-.

On cross examination he disclosed that he now runs the butchery.

The hearing adjourned until 6.5.04 by which time Commissioner Tusa had left the bench. Then after proceedings were typed the hearing continued from where the evidence had reached.

On 16.5.02 the trial of the case came up for hearing. PW2 was called being a court clerk in charge of traffic registry. She produced the Traffic Case No. 408 of 1997. **R v. Benson Mwaniki Raahid**. It was marked as Exhibit 5. That exhibit shows that the accused was charged with the 2 counts of causing death by dangerous driving contrary to section 46 Traffic Act driving vehicle KXC 000 Nasser Bus by overtaking a vehicle ISZU KAE 647E and collided with KAD 482 W causing death of Ashur Amir Islem driver and also causing the death of Nasser Salim (the deceased in this case).

After trial the driver 2nd defendant was found guilty and convicted accordingly. No appeal was preferred against the conviction and sentence.

The first party called a witness a private investigator who commenced to investigate this case. This witness came into picture after the accident. He was not present when the accident occurred.

On submissions it was submitted on behalf of the plaintiff that the 2nd defendant was tried and convicted for causing the death of deceased. He was the authorized driver of the first plaintiff's motor vehicle KCC 300 Nissan Bus. There is no corroborating evidence and therefore the first Defendant is liable for negligent acts of his employee.

Upon considering the submissions of plaintiff counsel and of third party, I find the first defendant and second defendant wholly liable for the accident on 100% basis. No negligence was proved against the third party.

Regarding quantum the deceased died on the same day of the accident. See the death certificate Exhibit 2. He was 27 years of age and a butcher by occupation. It is submitted that he died on the way to hospital one hour after the accident. In those circumstances, I award Shs.10,000/- for pain and suffering. On special damages the father PW 1 said he spent Shs.2000/- and shs.5000/- for the Limited Grant. Therefore the proved special damages amounts to Shs.7000/- plus 100/- Police Abstract fees totaling 7,100/- and not as pleaded.

There was evidence that the deceased had a wife and 2 children and that he was supporting his father and the mother. Evidence on income was not supported either by bank statements or business accounts. It was said he earned 1,000/- - 1,200/- per day depending on the size of carcass of meat. It was not disclosed for how many days he was not able to work in a period of 30 days. It is not shown how much of that sum he spent on business expenses. Doing the best I can in the circumstances I take daily income at shs.500/-. This yields Shs.15,000/- He had a family and his parents to support. His father PW 1 is now engaged in selling some meat at the butcher's and earning a living. Taking that the deceased spent 2/3 on his family monthly the sum of dependency would therefore amount to shs.10,000/- per month. Being a young person of 27 years he could probably have an income of 22 years in business. Therefore I take a multiplier of 22 years. The sum of dependency is therefore

20 years x 10,000/- x 12 months yielding Shs.2,400,000/- which is awarded.

Loss of expectation of life Shs.80,000/-

The total damages:

Special damages - 7,100/-

Loss of Dependency - 2,400,000/-

Pain and suffering - 10,000/-

Loss of Expectation of life - 80,000/-

TOTAL - 2,497,100/-

Judgment is therefore entered for plaintiff against first and second defendants jointly and severally in the sum of Shs.2,497,100/- The plaintiff shall have costs and interest at court rates.

Delivered and dated at Mombasa this 25th day of December 2005.
