These appeals are consolidated. The two appellants were charged with the offence of shopbreaking and stealing c/s 306(a) of the Penal Code. The record shows that each pleaded guilty to the charge and sentenced to 2(two) years imprisonment. The appeals are against sentence only. The sentence provided under the section is seven years imprisonment with corporal punishment. The sentence of two years imposed by the learned trial magistrate was well merited.

These appeals are accordingly dismissed.
