The accused are charged with the offence of Murder. The Prosecution must prove beyond reasonable doubt all the ingredients of Murder. The ingredients of murder are;

- 1) *The killing or fact of death of the deceased;*
- 2) *existence of malice aforethought or mens rea and*
- 3) *the unlawful act or omission on the part of the accused the actus reus.*
- 4) *That it is the accused who inflicted the injury.*

That deceased in Count 1, 2, 3, 4 died was confirmed by the evidence of Pw5 Dr. Philip Koskei. He produced the Post mortem form filled by Dr. Were who performed the Post mortem on 22.4.2014. From the report AI had; The cervical spine was fractured. He formed opinion that cause of death was likely due to strangling asphyxiation and rape.

Pubic hair was taken for further analysis. I produce Post Mortem report (PMFI – 5) as Exh.5.

CI was also examined on 22/04/2014 – a 15 year old female African in good natural status - she had rigor mortis and externally there were swellings at the back of both ears and there was bleeding from the ears. Genital area had blood stains in the birth canal. There was hematoma in both ears, contact with fracture of the skull. The base of the skull was fractured and there was subdural hematoma cause of death was severe head injury with subdural hematoma. No specimen was taken. I produce the Post Mortem report (PMFI – 3) as Exh. 3.

The second issue is whether it is accused who inflicted injuries that caused the death of the deceased in Count 1, 2, 3, 4, 5. Evidence against Accused 2 George Simiyu Nabokoto is that on 27.6.2014 Pw1 Joseph Nyongesa Pakali Chairman Community Policy received information that accused was required at the Police station to record a statement to assist Police in the Investigation of the Murders. He went to accused's house. Found him and took him to the Police station. While at the Police Station Pw7 who asked to record a confession from the Accused 2 which he did. This confession was produced as Exhibit 10. In the statement he admitted having been requested by Rasto (now dealt with) to go and assist in killing A (deceased) in Count 1 because she was the complainant in a robbery case Rasto had been charged with and for which he had been acquitted that day. He further stated that they sought the services of Kelvin, Edwin (Accused 3) who armed themselves with a knife and a metal bar. Where they committed the offence of rape defilement and Murder. In his confession which was admitted in court the accused stated; *I then told him we cannot manage the two of us. Then he said, he will look for other people. He then went out to look for Kelvin and Edwin. The four of us met at Milimani area around 08.10 p.m. We then went straight to the house of Mama C at Wekelekha on arrival Rasto was the first person to enter the house, he was then followed by Kelvin and Edwin then was the last person to enter the house. When I entered the house three children who were girls were reading at the sitting room. Rasto and Kelvin went to the Bedroom. When*

you enter the house from the front the bedroom is on the left. Edwin went to where the Children were leaving me on the door. Before we went to the house Rasto had a knife, while Kelvin had a metal bar, while Edwin had a knife. While in the house Edwin used clothes he found on the sofa set to block the eyes and the mouth to avoid them raising any alarm.

Rasto and Kelvin started beating C inside the bedroom, I was at this time near the bedroom when C became unconscious the two Rasto and Kelvin raped Mama C. By then I was seeing them. Then after that Rasto stabbed Mama C on the left side. I then asked the two to leave the house as the Mission was complete, but Rasto replied saying that the three children must also be killed.

The evidence against accused 4 Rodgers Akoto Indeheri is the Pw4 P.C. John Andrew Kahindi while investigating the murder found that accused 4 had used the late A's Mobile phone, through the assistance of Safaricom data. He was arrested asked as to how he came to use the phone. The data records showed he had inserted his sim card No. 0720***** into the deceased A's phone and made a call. When Accused 4 was asked he said he was a phone repairer. In his defence Accused 4 stated that he was given the phone by Accused 3 Edwin to repair and after repairing it he tested it with his Saficom sim card.

The evidence in respect of Accused 5 Peter Oriri Imaeti Accused 5 is that on 10.5.2014 through Safaricom data Accused 5 was traced. He was found to have used A's phone a day after the Murder. He was arrested and informed Police that his brother Godrick Lutta Amutete had given it to him. Godrick was called released. The Accused 5 in his defence testified that Godrick is the one who gave the phone, he used it and returned it to him. Godrick was released by Police.

The evidence connecting Accused 4 Rodgers Akoto is that from the Safaricom data records he had used Agnetta's mobile phone which had been stolen during the murder to call. The Accused 4 both to the police and this court explained that he is a mobile phone repairer and had been given by Accused 3. Edwin Wanjala Juma (now at large) to repair which he did and used his sim card to test whether it was working. In respect to Accused 5 Peter Oriri Imaeti was also arrested because Safaricom data had indicated that he used A's phone stolen during the murder. He explained to both the police and in his evidence in court that he indeed used the phone but had got it from his brother Godrick Luka Amutete. Godrick was called to the police questioned and released. He was not a witness admit or deny the assertion by the Accused 4.

I have considered the evidence in totality I find that Accused 4 Rodgers Akoto and Accused 5 Peter Oriri Imaeti only connection which the alleged offence is that they used the mobile phone of the deceased. Pw4 Rodgers has explained the circumstances how he came by the mobile phone. This explanation has not been dispatched by evidence in respect of Accused 5 Rodgers he explained how he came by the mobile phone. He obtained it from one Godrick who was not called as a witness. I find that they have explained how they came to use the mobile phone. The inference of guilt on basis of recent possession or use has been displaced. I therefore find no sufficient evidence to connect that to the offence and acquit Accused 4 Rodgers Akoto Indeheri and Accused 5 Peter Oriri Imaeti under Section 215 C.P.C. Accused 4 and 5 be set at liberty unless otherwise lawfully detained. As for Accused 2 George Simiyu Nabikoto alias Saitoti. I am satisfied that the prosecution established that he one of the members of the group that armed itself and went to the house of AI, with the intention of killing her and did kill not only A but also her 3 children. I find the prosecution established its case on the 4 counts of Murder. I find Accused 2 George Simiyu Nabikoto alias Saitoti guilty of Murder and all the Four counts and convict him accordingly.

DATED AND DELIVERED AT BUNGOMA THIS 29TH DAY OF NOV, 2019.
