**JUDGEMENT**

The appellant has appealed against his conviction and sentence in Cr. Case No.2590/02 wherein he was sentenced to 2 years imprisonment by the Nairobi Senior Principal Magistrate Mr. Indeche. At the time of arguing this appeal the state conceded to the appeal. I have carefully studied the lower Courts proceedings.

I have no reason to disagree with the learned state counsel that the appeal should not succeed from my perusal of the lower court's proceedings I am satisfied that the trial magistrate should have given the appellant the benefit of doubt in this case. I therefore allow this appeal and quash the appellant's conviction. The appellant will be set at liberty unless he is lawfully held. Order accordingly.
