Mwangi J. K. holding brief for Garane for the 1st respondent

MWANGI CHARLES: The matter is coming up for directions and also to report on service. We have served the 1st respondent. 2nd respondent and the 3rd and 4th have not been served but have been notified by telephone and email on this matter. The one who has been problematic is the 3rd respondent he promised to give us his email but never did so though we talked to him on phone.

We have complied. We wish to have two weeks to allow the parties to negotiate out of court as there are indications that there is a possibility of a settlement. We ask for two weeks time to report back on the outcome of negotiations. That's all.

shall be asking for today's costs. Further if the petitioner wishes to withdraw at any time before commencement of hearing of the petition the 1st respondent maintains that it should be awarded costs. The security should be given to the 1st respondent as all other parties have not filed their papers. That's all.
