THE KISII COUNTY VILLAGE POLYTECHNICS ACT, 2015

AN ACT of the County Assembly of Kisii to provide for the establishment of Village Polytechnics and their Councils to provide full-time and part-time courses in Technology, Applied Science Management and other fields of studies and to make provisions for the general administration of such Polytechnics and for other connected purposes

ENACTED by the County Assembly of Kisii as follows—

PART I—PRELIMINARY

1. This Act may be cited as Kisii County Village Polytechnics Act, 2015.

2. In this Act, unless the context otherwise requires—

“authorized officer” means a person appointed under this Act as an authorized officer;

“council” means a village polytechnic council established under Part III;

“County Executive Committee Member” means the county executive committee member responsible for matters relating to village polytechnics;

“Department” means the department responsible for village polytechnics

“Polytechnic” means a village polytechnics registered and licensed under this Act;

3. This Act shall apply to all Village Polytechnics registered under this Act.

4. The objects of this Act are—

(a) to promote the advancement of knowledge by providing middle level education opportunities;

(b) to ensure quality education at polytechnics.

(c) to promote the establishment of Polytechnics that provide full-time or part-time courses of instruction and training—

(i) in technology, applied science, commerce and management; and
(ii) in such other fields of applied learning relevant to the needs of the development of the counties in the area of industrial and agricultural production and distribution and for research in the development and adaptation of techniques as may from time to time be determined;

(d) to promote the exchange of knowledge and skills with business and industry.

PART II—ADMINISTRATION OF THIS ACT

5. This Act shall be administered by the department responsible for village polytechnics which shall have such powers and exercise such functions as are specified in this Act.

6. It is the responsibility of the Department to implement the objectives of this Act and to this end the Department shall—

(a) formulate county policy and legislation on Polytechnics;
(b) subject to relevant legislation, receive any grant or donation;
(c) consider applications for the establishment of Polytechnics and issue, renew, suspend or revoke Polytechnic licenses;
(d) impose fines for breach of any conditions imposed in any license issued under this Act;
(e) in consultation with a Polytechnic and the department responsible for matters relating to education, develop curricula for various courses
(f) set guidelines for charges a Polytechnic may charge;
(g) monitor polytechnics to ensure the observation and maintenance of standards set under the Regulations to this Act;
(h) categorize polytechnics with respect to the courses offered and certificates awarded;
(i) perform any other function, as may be directed by the County Executive Committee Member, for the effective implementation of this Act.
7. (1) The Department may, through an authorized officer, at any reasonable time carry out the inspection of a Polytechnic including—

(a) classrooms;
(b) laboratories;
(c) kitchen and dining hall;
(d) hostels or living quarters;
(e) any other part of a polytechnic;

(2) Where an inspection under this section indicates the owner, principal or other person in control of the polytechnic has committed a breach of any conditions imposed on the license, the Department may, after informing the Principal, suspend the license until such time the breach has been rectified.

(3) Where an inspection under this section indicates the owner, principal or person in control of the Polytechnic has committed a breach of any conditions imposed on the license and such breach poses a danger to the Students or the public, the Department shall, after informing the Principal, depending on the seriousness of the danger posed

(a) order the immediate closure of the Polytechnic or such part as poses a danger; and
(b) suspend the license until such time the breach has been rectified and the danger no longer exists; or
(c) cancel the license.

(4) Any person who contravenes the provisions of this section commits an offence and shall on conviction be liable to a fine not exceeding Five Hundred Thousand shillings or to a term of imprisonment not exceeding two years.

(5) The Department may in addition to any penalty imposed under sub-section (4) demand the person repair any damage that may have occurred due to the breach committed under sub-section (3).

8. Any person preventing or obstructing an authorized officer from entering any part of a Polytechnic or carrying out an inspection in terms of this Act commits an offence.
9. (1) Where an authorized officer is of the opinion that the continued use of a building or place of business in a particular constitutes a danger to the students or the public, the authorized officer shall direct the licensee or his agent or employee in charge of the premises or place of business to take such action as the authorized officer thinks reasonably necessary to remedy the situation.

(2) If the licensee or person so directed under sub-section (1) fails to take that action within the time allowed for that purpose by the authorized person, the authorized person shall, by notice in writing addressed to the licensee and served personally on the licensee or his agent or employee in charge of the place business, close those premises or place of business pending the decision of the Department.

(3) The authorized officer shall immediately inform the Department of his actions giving the reasons thereof.

(4) The licence in respect of premises or place of business closed under sub-section (2) shall be deemed to have been suspended until the Department has made a decision under section 6.

(5) The Department shall, within seven days after being advised of the closure under sub-section (3) consider whether the licence in respect of those premises should be re-instated, suspended, cancelled or varied and shall inform the licensee of its decision, in writing, within fourteen days.

PART III—VILLAGE POLYTECHNIC

10. (1) Each polytechnic shall have a governing body known as the Village Polytechnic Council.

(2) The Council is responsible for—

(a) the determination of the educational character and mission of the polytechnic;

(b) overseeing the activities of the polytechnic;

(c) safeguarding the assets of the polytechnic for the effective and efficient use of its resources;
