PART III—MEASURES BY THE COUNTY GOVERNMENT FOR DISASTER MANAGEMENT

12. (1) Subject to the provisions of this Act, the County Government may take all such measures as it considers necessary or expedient for the purpose of disaster management.

(2) Without prejudice to the generality of subsection (1), the measures which the County Government may take includes measures with respect to all or any of the following matters, namely—

(a) co-ordination of actions of the departments and divisions of the County Government, County Governmental and non-governmental organizations in relation to disaster management;
(b) co-operation and assistance to any other person, as requested by them or otherwise considered appropriate by it;

(c) establishment of institutions for research, training and developmental programmes in the field of disaster management; and

(d) such other matters as it considers necessary or expedient for the purpose of securing effective implementation of the provisions of this Act.

(3) The County Government may extend such support to other counties affected by a major disaster as it may consider appropriate.

13. (1) For the purposes of this Act—

(a) a disaster exists when the Governor declares by notice that disaster exists after receiving advice from the Committee that a disaster has occurred;

(b) a threatened disaster exists when—

(i) the Governor declares by notice, after receiving advice from the Committee under subsection (2) that there is a substantial prospect that a disaster shall occur; or

(ii) an agency, whether within the county or otherwise, certified by the Directorate as an Accredited Disaster Notification Service under subsection (3), broadcasts or otherwise publishes a formal announcement warning persons of the threat of the striking of a disaster.

(2) The Directorate shall advise the Committee on request, and at any time the Directorate considers appropriate, of the occurrence of, or of the likely occurrence of, a disaster.

(3) The Directorate may certify an agency, within the county, which they consider to have a high level of technical expertise in the prediction or assessment of risk of any kind of disaster, as an Accredited Disaster Notification Service for the purposes of this Act.

(4) A certification under subsection (3) may be general or limited to specified kinds of disaster.
14. (1) Subject to section 12, the Governor may issue a declaration of period of disaster which would activate, with immediate effect, the disaster response provisions of the Plan in the event of a disaster.

(2) Immediately after the declaration of a period of disaster, the Governor shall cause the details of the declaration to be communicated by the most appropriate means to the residents of the affected area.

15. Upon the declaration of a period of disaster, the Governor may, in respect of the county, issue an order to a person to do everything necessary to prevent or limit loss of life and damage to property or the environment, including any one or more of the following—

(a) cause emergency plans to be implemented;

(b) utilize any property considered necessary to prevent, combat or alleviate the effects of any disaster;

(c) authorize or require any qualified person to render aid of such type as that person may be qualified to provide;

(d) control, permit or prohibit travel to or from any area or on any road, street or highway;

(e) cause the evacuation of persons and the removal of livestock and personal property and make arrangements for their adequate care and protection;

(f) control or prevent the movement of people and the removal of livestock from any designated area that may have a contaminating disease;

(g) authorize the entry into any building, or upon any land;

(h) cause the demolition or removal of any trees, structure or crops in order to prevent, combat or alleviate the effects of a disaster;

(i) authorize the procurement and distribution of essential resources and the provision of essential services;
(j) regulate the distribution and availability of essential goods, services and resources;

(k) provide for the restoration of essential facilities, the distribution of essential supplies and the maintenance and co-ordination of emergency medical, social and other essential services; and

(l) expend such sums as are necessary to pay expenses caused by the disaster.

16. (1) The Governor may terminate a period of disaster with respect to the county identified in the declaration of a disaster when, in the opinion of the Governor, the disaster no longer exists.

(2) Upon termination of a period of disaster referred to in subsection (1), the Governor shall cause the details of the termination to be communicated, by the most appropriate means, to the residents of the affected areas in the county.

17. (1) Where the Directorate identifies an area as likely to pose a danger in the event of a disaster, it shall—

(a) certify that, in writing, to the owner or occupant of the property; and

(b) give the owner specific instructions as to the steps to take to abate or remove the danger upon receipt of the notice.

(2) Upon failure to comply with the requirements after notice, the Directorate shall take the steps necessary to give effect to the notice including entry by its employees or agents upon the premises after due notice to the owner or occupant of the premises.

(3) Any step which the Directorate takes under subsection (2) must be reasonable in the circumstances with every care taken to ensure minimal damage to the area.

(4) A person who is served with a notice under subsection (1) and who does not take all the steps as directed by the Directorate in the notice to abate or remove the potential danger within four weeks from the date of receipt of the notice, commits an offence and in addition to any penalty imposed under section 21 shall be made to pay
any expenses which the Directorate incurs to abate or remove the danger.

(5) An employee or an agent of the Directorate exercising a function under this section must properly identify themselves to the occupant or owner of the property on which the danger was identified, by the production of their badge, tag or other identification device provided by the Directorate.

PART IV—FINANCIAL PROVISIONS

18. (1) The County Government shall establish the County Disaster Management Fund that shall be equivalent to 2% of annual county budget.

(2) The fund shall be administered by the Fund Manager appointed from among persons working in the county treasury by the County Executive Committee Member for Finance according to the provisions of the Public Finance Management Act, 2012.

(3) The County Disaster Management Fund shall be financed from the following sources, namely—

(a) such monies or assets as may accrue to the Directorate in the course of the exercise of its powers or the performance of its functions under this Act;

(b) grants made by the national government or other County Governments; and

(c) loans, aid or donations from national or international agencies; and

(d) all monies from any other source provided or donated or lent to the Directorate.

(4) The County Disaster Management Fund shall be used towards meeting the following expenses for emergency preparedness, response, mitigation, relief and reconstruction in the county after a disaster.

(5) The Fund Manager shall administer the County Disaster and Emergency Management Fund subject to the provisions of all laws and regulations relating to public financial management.
19. The County Government shall, in their annual budgets, make provisions for funds for the purposes of carrying out the activities and programmes set out in its Plan.

20. (1) Where, by reason of any impending disaster, the Committee is satisfied that immediate procurement of provisions or materials or the immediate application of resources are necessary for rescue or relief, the concerned department may procure the provisions or materials directly.

(2) The procurement referred to in subsection (1) shall comply with the laws relating to public procurement.

21. (1) Before the commencement of each financial year, the Committee shall cause to be prepared estimates of the revenue and expenditure of the Directorate for that year.

(2) The annual estimates shall make provision for all the estimated expenditure of the Directorate for the financial year concerned and, in particular, shall provide for the—

(a) funding of training, research and development of activities of the Directorate;

(b) funding of education, training and capacity building on disaster management in the county; and

(c) such other matters as the Directorate may consider fit.

(3) The annual estimates shall be approved by the Committee before the commencement of the financial year to which they relate and shall be submitted to the executive committee member for transmission to and tabling in the County Assembly.

(4) Expenditure of the Directorate shall not be incurred except in accordance with the annual estimates approved under subsection (3).

22. (1) The Committee shall cause to be kept proper books and records of account of the income, expenditure, assets and liabilities.
(2) The committee shall submit to the County Assembly quarterly reports on all of its operations;

(3) Within a period of three months after the end of each financial year, the Committee shall submit to the Auditor-General the accounts of the Directorate in respect of that year together with—

(a) a statement of the income and expenditure of the Directorate during that year; and

(b) a statement of the assets and liabilities of the Directorate on the last day of that financial year.

(4) The annual accounts of the Directorate must be prepared, audited and reported upon in accordance with the provisions of Articles 226 and 229 of the Constitution and the law relating to public audit.

23. The financial year of the Directorate shall be the period of twelve months ending on the thirtieth June in each year.
