(2) If the grant or renewal of a licence is refused and the licensee appeals against the decision, the licensee shall, on payment of the prescribed fee for the appropriate licence, be entitled, unless the County Executive Member directs otherwise, to a renewal of the licence which is the subject of the appeal to be valid only until the appeal has been heard and determined, such licence to commence on the day after the determination of his existing licence.

(b) inform the medical officer of health, authorised officer or the police officer, as the case may be, of the date upon which the directorate will consider the report, and require him to attend on the date specified.

(2) Any licensee concerning whom a report is to be considered may appear in person or by advocate before the directorate.

(3) The directorate, having duly considered the report and having heard the licensee, if he appears, may, if it deems fit, cancel the licence or

make such an order in respect of such licence or the licensed premises specified therein as, in the opinion of the directorate, is necessary.

(4) Any person aggrieved by the decision of the directorate upon any such report may within twenty-one days appeal against the decision to the high court, and the judgment of the high court on such appeal shall be final.

(5) Where a licensee whose licence has been cancelled under subsection (3) appeals to the high court under subsection (4), his licence shall not be deemed to be cancelled until the decision of the high court is made known.

(6) The high court, on an appeal under this section, may confirm or reverse the decision of the directorate.
