3. Power to declare plant a noxious weed

[G.N.172/1955, L.N.173/1960.]

4. Duty of persons to report

(1) Every person responsible for land within a declared area shall—

- (a) report forthwith to an inspector, to a District Commissioner or to the Director the presence of any noxious weed thereon; and

(b) clear the noxious weed, or cause it to be cleared, from that land.

(2) A person who fails to comply with the provisions of this section shall be guilty of an offence.

5. Power of inspector to enter land

(1) An inspector may at all reasonable times enter upon land situated in an area in respect of which he is authorized to be an inspector for the purpose of ascertaining whether any noxious weed or other weed exists thereon.

(2) A person who obstructs or attempts to obstruct or hinder an inspector in the exercise of his duties under this Act shall be guilty of an offence.

6. Power of inspector to order persons to clear land

(1) If an inspector finds upon land within a declared area any plant which has been declared under section 3 to be a noxious weed, he may, by notice in writing to the person responsible for the land, require that person to clear the land of the noxious weed within a time to be specified in the notice.

(2) The notice shall state the particular noxious weed which has been found upon the land, and, as far as practicable, the portion or portions of the land on which the noxious weed has been found.

(3) A person who fails to comply with the provisions of a notice within the time specified therein shall be guilty of an offence.

7. Power of inspectors to eradicate noxious weeds

(2) The procedure for the making, approval and publication of by-laws made under this section shall be that prescribed by the Local Government Act (Cap. 265) and for the purposes of the enforcement thereof and the disposal of fines imposed for contravention thereof those by-laws shall be deemed to be by-laws made by the same local authority under that Act.
