PART III—MEASURES BY THE COUNTY GOVERNMENT FOR DISASTER MANAGEMENT

11. (1) Subject to the provisions of this Act, the county government may take all such measures as it considers necessary or expedient for the purpose of disaster
management.

(2) Without prejudice to the generality of subsection (1), the measures which the county government may take includes measures with respect to all or any of the following matters, namely—

(a) co-ordination of actions of the departments and divisions of the County Government and NGOs in relation to disaster management;

(b) co-operation and assistance to any other person, as requested by them or otherwise considered appropriate by it;

(c) establishment of institutions for research, training and developmental programmes in the field of disaster management; and

(d) such other matters as it considers necessary or expedient for the purpose of securing effective implementation of the provisions of this Act.

(3) The county government may extend such support to other counties affected by a major disaster as it may consider appropriate.

(4) Ensure strategic stock-pilling of food and non-food items in key disaster prone areas.

12. (1) For the purposes of this Act—

(a) a disaster exists when the Governor declares, by Notice, that an emergency exists after receiving advice from the Committee that a disaster has occurred;

(b) a disaster exists when—

(i) the Governor declares by Notice, after receiving advice from the Committee under subsection (2) that there is a substantial prospect that a disaster shall occur; or

(ii) an agency, whether within the county or otherwise, certified by the Directorate as an accredited Disaster Notification Service under subsection (3), broadcasts or otherwise publishes a formal announcement warning persons that a disaster will strike.
(2) The Directorate shall advise the Committee on request, and at any time the Directorate considers appropriate, of the occurrence of, or of the likely occurrence of, a disaster.

(3) The Directorate may certify an agency, within the county, which they consider to have a high level of technical expertise in the prediction or assessment of risk of any kind of disaster, as an Accredited Disaster Notification Service for the purposes of this Act.

(4) A certification under subsection (3) may be general or limited to specified kinds of disaster.

13. Subject to section 10, the Governor may issue a declaration of disaster which would activate, with immediate effect, the disaster response provisions of the Plan in the event of a disaster.

14. Immediately after the declaration of a state of emergency, the Governor shall cause the details of the declaration to be communicated by the most appropriate means to the residents of the affected area.

15. (1) A declaration under section 12 is valid for a period of 14 days from the date of the declaration.

(2) Despite subsection (1), the Governor may, if necessary, extend the duration of the declaration for further periods of 14 days each with the approval of the County Assembly.

16. (1) Upon the declaration and during a state of emergency, the Governor may, in respect of the county, issue an order to a person to do everything necessary to prevent or limit loss of life, damage to property or the environment and including any one or all of the following—

(a) cause emergency plans to be implemented;

(b) utilize any property considered necessary to prevent, combat or alleviate the effects of any emergency or disaster;

(c) authorize or require any qualified person or institution to render aid of such type as that person or institution may be qualified to provide;
(d) control, permit or prohibit travel to or from any area or on any road, street or highway within the affected area(s);

(j) regulate the distribution and availability of essential goods, services and resources; and

(k) provide for the restoration of essential facilities, the distribution of essential supplies and the maintenance and co-ordination of emergency medical, social and other essential services.

(2) expend such sums as are necessary to pay expenses caused by the emergency.

17. (1) The Governor may terminate a state of emergency with respect to the affected area identified in the declaration of a state of emergency when advised by disaster management committee that the emergency no longer exists.

(2) Upon termination of a state of emergency referred to in subsection (1), the Governor shall cause the details of the termination to be communicated, by the most appropriate means, to the residents of the affected areas.

18. (1) Where the Directorate identifies premises as likely to pose a danger in the event of a disaster, it shall—
(a) notify, in writing, to the owner or occupant of the property; and

(b) give the owner specific instructions as to the steps to take to abate or remove the danger within four weeks of the receipt of the notice.

(2) Upon failure to comply with the requirements after notice, the Directorate shall take the necessary steps to give effect to the notice including entry by its employees or agents upon the premises after due notice to the owner or occupant of the premises.

(3) A person who is served with a notice under subsection (1) and who does not take all the steps as directed by the Directorate in the notice to abate or remove the potential danger within four weeks from the date of receipt of the notice, commits an offence and in addition to any penalty imposed under section (25) shall be made to pay any expenses which the Directorate incurs to abate or remove the danger.

(4) An employee or an agent of the Directorate exercising a function under this section must properly identify themselves to the occupant or owner of the property on which the danger was identified, by the production of their badge, tag or other identification device provided by the Directorate.

PART IV—FINANCIAL PROVISIONS

19. (1) The funds for emergency and disaster management shall comprise of—

(a) Money appropriated by the County Assembly for emergency response through the Turkana County Emergency Fund Act.
