(f) the roles and responsibilities of different departments of the county government in responding to any looming disaster or actual disaster.

(3) The Plan shall be reviewed and updated annually.

10. When an emergency or a disaster has occurred or is imminent, the Directorate or other persons as may be designated in the Plan, may cause the plan to be implemented.

PART III—MEASURES BY THE COUNTY GOVERNMENT FOR DISASTER MANAGEMENT

11. (1) Subject to the provisions of this Act, the county government may take measures as it considers necessary or expedient for the purpose of disaster management.

(2) Without prejudice to the generality of subsection (1), the measures which the county government may take includes measures with respect to all or any of the following matters—
(a) co-ordination of actions of the departments and divisions of the county government, county governmental and non-governmental organizations in relation to disaster management;

(b) co-operation and assistance to any other person, as requested by them or otherwise considered appropriate by it;

(c) establishment of institutions for research, training and developmental programmes in the field of disaster management; and

(d) such other matters as it considers necessary or expedient for the purpose of securing effective implementation of the provisions of this Act.

(3) The county government may extend such support to other counties affected by a major disaster as it may consider appropriate with the approval of the County Assembly.

12. (1) For the purposes of this Act—

(a) a disaster exists when the Governor declares, by Notice, that an emergency exists after receiving advice from the Committee with the approval of the County Assembly that a disaster has occurred;

(b) a looming disaster exists when—

(i) the Governor declares by Notice, after receiving advice from the Committee under subsection (2) that there is a substantial prospect that a disaster shall occur; or

(ii) an agency, whether within the county or otherwise, certified by the Directorate as an Accredited Disaster Notification Service under subsection (3), broadcasts or otherwise publishes a formal announcement warning persons of the threat of the striking of a disaster.

(2) The Directorate shall advise the Committee on request, and at any time as the Directorate may consider appropriate, of the occurrence of, or of the likely occurrence of a disaster.

(3) The Directorate may certify an agency, within the county, which they consider to have a high level of
technical expertise in the prediction or assessment of risk of any kind of disaster, as an Accredited Disaster Notification Service for the purposes of this Act.

(4) A certification under subsection (3) may be general or limited to specified kinds of disaster.

13. Subject to section 10, the Governor may issue a declaration of disaster, which would activate with immediate effect the disaster response provisions of the Plan in the event of a disaster.

14. After the declaration of a state of disaster, the Governor shall cause the details of the declaration to be communicated by the most appropriate means to the residents of the affected area.

15. A declaration under section 12 is valid for a period of 14 days from the date of the declaration.

(2) Despite subsection (1), the Governor may, if necessary, extend the duration of the declaration for further periods of 14 days each.

16. Upon the declaration of, and during a state of disaster, the Governor may, in respect of the county, issue an order to a person to do everything necessary to prevent or limit loss of life and damage to property or the environment, including any one or more of the following things—

(a) cause emergency plans to be implemented;
(b) utilize any property considered necessary to prevent, combat or alleviate the effects of any emergency or disaster;
(c) authorize or require any qualified person to render aid of such type as that person may be qualified to provide;
(d) control, permit or prohibit travel to or from any area or on any road, street or highway;
(e) cause the evacuation of persons and the removal of livestock and personal property and make arrangements for their adequate care and protection;
(f) control or prevent the movement of people and the removal of livestock from any designated area that may have an infectious disease;
(g) authorize the entry into any building, or upon any land without warrant;

(h) cause the demolition or removal of any trees, structure or crops in order to prevent, combat or alleviate the effects of an emergency or a disaster;

(i) authorize the procurement and distribution of essential resources and the provision of essential services;

(j) regulate the distribution and availability of essential goods, services and resources;

(k) provide for the restoration of essential facilities, distribution of essential supplies and the maintenance and co-ordination of emergency medical, social and other essential services; and

(l) expend such sums as are necessary to pay expenses incurred by the management of the emergency situation.

17. (1) The Governor may terminate a state of crisis with respect to the county identified in the declaration of a state of crisis when, in the opinion of the Governor, the emergency no longer exists.

(2) Upon termination of a state of crisis referred to in subsection (1), the Governor shall cause the details of the termination to be communicated, by the most appropriate means, to the residents of the affected areas.

18. (1) Where the Directorate identifies premises as likely to pose a danger in the event of a disaster, it shall—

(a) certify that, in writing, to the owner or occupant of the property; and

(b) give the owner specific instructions as to the steps to take to abate or remove the danger within four weeks of the receipt of the notice.

(2) Upon failure to comply with the requirements after notice, the Directorate shall take the necessary steps to give effect to the notice including entry by its employees or agents upon the premises after due notice to the owner or occupant of the premises.

(3) A person who is served with a notice under subsection (1) and who does not take all the steps as
directed by the Directorate in the notice to abate or remove the potential danger within four weeks from the date of receipt of the notice, commits an offence and in addition to any penalty imposed under section 25 shall be made to pay any expenses which the Directorate incurs to abate or remove the danger.

(4) An employee or an agent of the Directorate exercising a function under this section must properly identify themselves to the occupant or owner of the property on which the danger was identified, by the production of their badge, tag or other identification device provided by the Directorate.

PART IV—FINANCIAL PROVISIONS

19. The county government shall establish the County Disaster Management Fund, which shall be administered on behalf of the Directorate, by the chief executive officer.

(2) The County Disaster Management Fund shall be financed from the following sources, namely—

(a) such monies or assets as may accrue to the Directorate in the course of the exercise of its powers or the performance of its functions under this Act;

(b) grants made by the national government or other county governments;

(c) loans, aid or donations from national or international agencies; and

(d) all monies from any other source provided or donated to the Directorate.

(3) The County Disaster Management Fund shall be used to meet the expenses for emergency preparedness, response, mitigation, relief and reconstruction in the county after a disaster.

(4) The chief executive officer shall administer the County Disaster Management Fund subject to the provisions of all laws and regulations relating to public financial management.

20. The county government shall, in the annual budget, make provision for funds for the purposes of carrying out the activities and programmes set out in its
21. (1) Where, by reason of any looming disaster, the Committee is satisfied that immediate procurement of provisions or materials or the immediate application of resources are necessary for rescue or relief, the concerned department or authority may use direct procurement.

(2) The direct procurement referred to in subsection (1) must comply with the laws relating to public procurement.

PART V—OFFENCES AND PENALTIES

22. (1) A person who obstructs the Directorate or any person in the performance of an action authorized by this Act or who contravenes or fails to comply with—

(a) a provision of this Act or any regulation; or
(b) a direction, order or requirement made pursuant to this Act or the regulations,

commits an offence.

(2) A person who commits an offence under this Act is liable on conviction to-
