THE EAST AFRICAN COMMUNITY YOUTH COUNCIL BILL, 2017

MEMORANDUM

The object of this Bill is to provide a legal framework for the harmonization of laws and policies regarding the youth in the Community. This Bill is premised on Article 120 of the Treaty for the Establishment of the East African Community, and in particular seeks to implement the EAC Youth Policy, 2014 which is an integral component of the 4th EAC Development Strategy 2011/2012-2015/2016. This Development Strategy identifies among others the integration, strengthening and promotion of policies, laws and programmes that focus on the development of the youth in the Community.

This Bill recognizes that the Partner States have in place diverse laws and policies regarding the youth in their territories. This Bill therefore is an attempt to uniformalise the laws and regulations pertaining the youth in the Community.
For this purpose the Bill seeks to establish the East African Youth Council within the East African Community, to provide for its composition, objects and functions, administration, finances and to provide for other matters related thereto.
