THE KILIFI COUNTY DISASTER MANAGEMENT ACT, 2016

AN ACT of the County Assembly of Kilifi to provide for the management of disasters and emergencies in Kilifi County by effective planning and risk reduction, response and recovery procedures and promotion of coordination amongst the response agencies, and for related purposes

ENACTED by the County Assembly of Kilifi, as follows—

PART I—PRELIMINARY

1. This Act may be cited as the Kilifi County Disaster Management Act, 2016 and shall come into operation with assent by the Governor.

2. In this Act, unless the context otherwise requires—

"A person" means an individual or any institution;

"Compensation" means any assistance by the county government that seeks to restore normalcy of life and livelihoods other than relief, rehabilitation and reconstruction after a disaster.

"Council" means the County Disaster Council established under Section 4.

"County Disaster Management Plan" means the County Disaster Management Plan provided for in section 11;

"The Unit" means the County Disaster Management Unit established under section 7 of the Act;

"Disaster" means a situation in any part of the County—

(a) which arises from any happening, whether natural or otherwise, including—

(i) any naturally occurring event negatively affecting the whole or any part of the County;

(ii) any destructive fire caused by any means; or

(iii) any aspect of the safety of a ship or aircraft in the County; or
(iv) any outbreak or spread of disease affecting humans, plants or animals;

(v) any event, natural or otherwise, which threatens the supply of water or the quality of water resources in the County;

(vi) any other emergency event resulting from systems failure, infrastructure failure or human error; and

(vii) any event, natural or otherwise, which threatens the availability and quality of food in the County.

(b) which involves threat or danger to human life or health, or to the environment; and

(c) which might require response agencies to respond under this Act;

“Disaster management” means a continuous and integrated process of planning, organizing, coordinating and implementing measures which are necessary or expedient for—

(a) prevention of danger or threat of any disaster;

(b) mitigation or reduction of risk of any disaster or its severity or consequences;

(c) capacity-building;

(d) preparedness to deal with any disaster;

(e) prompt response to any threatening disaster situation or disaster;

(f) assessing the severity or magnitude of effects of any disaster;

(g) evacuation, rescue and relief;

(h) rehabilitation, recovery and reconstruction;

“Disaster risk reduction” means all mitigation activities undertaken in accordance with this Act to reduce the risk of hazards to the community and its property;

“Emergency” means a situation—

(a) which is sudden and usually unforeseen event that calls for immediate measures to minimize its adverse effects; less serious than a disaster;
(b) which could result or has resulted in causing widespread human, property or environmental losses throughout the County or in any part of the County; and

(c) which would require a substantial mobilization and utilization of the County's resources or which would exceed the ability of the County to cope using its own resources.

"Fund" means the County Disaster Management Fund established by the County Government under Section 17 of the Act.

"Governor" means the Governor elected under the Constitution of Kenya of 2010 or a person acting in that capacity.

"Mitigation" means measures aimed at reducing the risk, impact or effects of a disaster or threatening disaster situation;

"Recovery" means the medium and long term activities undertaken for physical, social, economic and environmental regeneration after a period of emergency;

"Response agencies" mean the agencies working in the county in addressing disaster management at that particular time.

3. The objects of this Act are to—

(a) establish an efficient structure for the management of disasters and emergencies by promoting cooperation amongst agencies with a role in disaster management, and enhancing their capacities to maintain the provision of essential services, including psychosocial services, during periods of disaster and emergency;

(b) require the preparation and implementation of a County disaster management plan consisting of the response agency plans prepared by the response agencies and other groups and institutions in accordance with the requirements of this Act;

(c) vest authority in persons and agencies to act during times of disaster and emergency in accordance with the plans approved under this
Act, and to require the observance and implementation of directives given and initiatives taken by persons authorized under this Act;

(d) to otherwise enhance the capacity of the County Government, relevant agencies and the community to effectively manage the impacts of disasters and emergencies and to take all necessary action to prevent or minimize threats to life, health and the environment from natural disasters and other emergencies;

(e) to implement mechanisms to reduce risks and hazards that may cause, contribute to or exacerbate disaster or emergency situations in the County; and

(f) to facilitate procedures aimed at implementing recovery activities in the aftermath of disasters and emergencies.

PART II—ESTABLISHMENT AND ADMINISTRATION OF THE DISASTER MANAGEMENT COUNCIL
