MEMORANDUM OF OBJECTS AND REASONS

The principal object of this Bill is to re-orient the Public Service Commission to accord with the Constitution of Kenya, 2010. It achieves this by constituting and incorporating the Commission, modernizing and expanding its functions and clearly articulating the procedure for appointment and removal of the chairperson, members and secretary. The Bill also enhances the Commission's operational and financial autonomy.

PART I — provides for the preliminary provisions, the short title, interpretation of terms, object and purpose of the Act and the principles by which the Commission will be guided.

PART II — provides for composition, qualifications and appointment of members of the Commission. It clearly outlines the procedure for the appointment of the selection panel and appointment of chairperson and members of the Commission as specified in the Constitution as well as the secretary to the Commission. This part also deals with the structure and operations of the Commission including provisions on the secretariat, power to employ staff, the role of the secretary and rules applying in the conduct of meetings of the Commission.

PART III — sets out the financial provisions relating to the Commission. It also provides that all expenses incurred by the Commission in the execution of its mandate shall be a charge on the Consolidated Fund. This Part also requires the preparation of audited accounts and annual financial estimates and reports.

PART IV — sets out a number of supplementary provisions. These range from management of information, publicity and the powers of the Commission to make regulations for the better carrying out of its functions and exercise of its powers. This part also covers issues of transition and repeals the Service Commissions Act, Cap. 185 of the Laws of Kenya.

The enactment of this Bill shall occasion additional expenditure of public funds which shall be provided for through the estimates.
