MEMORANDUM OF OBJECTS AND REASONS

Statement of the Objects and Reasons for the Bill

The principal object of this Bill is to establish the office of the county printer in each of the forty-seven counties. The establishment of this office is necessitated by the provisions of the County Governments Act, 2012 which makes reference to publication of Bills, Acts and other documentation in a “county gazette”. The Act does not however provide for the establishment of the Office of a County Printer that would publish such gazettes. This Bill therefore seeks to give full effect to the requirement for the publication of county gazettes.

Statement on the delegation of legislative powers and limitation of fundamental rights and freedoms

Clause 11 of the Bill provides that the county secretary may make regulations with the approval of the county assembly. The Bill therefore delegates legislative powers to the county executive member. The Bill does not however limit fundamental rights and freedoms.

Statement on how the Bill concerns county governments

The Bill concerns county governments in terms of Articles 110 (1) (a) of the Constitution in that it contains provisions that affect the functions and powers of the county governments as set out in the Fourth Schedule to the Constitution. The establishment of the office of the county printer in each county will facilitate County Assemblies and the County Executive in the performance of their functions by providing for the publication of various documents in a County Gazette as prescribed by the County Governments Act or any other law.

Statement that the Bill is not a money Bill within the meaning of Article 114 of the Constitution

The office of the county printer is proposed to be established as an office in the office of the county secretary. The running costs of this office will therefore be such costs as may be approved in each year by the County Assembly.

Further Clause 10 of the Bill specifically removes the Bill from the ambit of the matters listed under Article 114 of the Constitution. The clause further provides that any expenses that may be occasioned by the implementation of the Act are to be provided from such gifts, grants or donations as may be given or from such monies as the National Assembly may, in the future, provide for the defraying of such expenses.

The Bill also provides that a fund may be established for the purposes of the custody of such funds. The Bill does not therefore appropriate funds
for the implementation of the Act; any appropriation would be effected through separate legislation which would be introduced and enacted in terms of Article 114 of the Constitution.

This Bill is therefore not a money Bill within the meaning of Article 114 of the Constitution.

Dated the 28th October, 2014.

STEPHEN SANG,
Senator.
