MEMORANDUM OF OBJECTS AND REASONS

Statement of the Objects and Reasons for the Bill

The principal object of this Bill is to amend the National Cereals and Produce Board Act to provide for the establishment of the County Cereals and Produce Committees. Agriculture is a devolved function.

By providing for the establishment of county cereals committees, the Bill seeks to ensure enhanced production of maize, wheat and scheduled agriculture produce in the counties so as to ensure food security in the country.

The Bill also provides for the functions of the county cereals and produce committees. These include the facilitation of the purchase of maize, wheat and scheduled agricultural produce from farmers, the payment of such produce delivered by farmers, data collection and the collection and dissemination of information to farmers, county government and the national government. The committees are expected to act as a link between the National government and county governments by collaborating with the National Cereal and Produce Board in the carrying out of its functions. The committees will also submit reports to the county executive committee member and the Board regarding the performance of their functions.

Statement on the delegation of legislative powers and limitation of fundamental rights and freedoms

The Bill does not delegate legislative powers nor does it limit the fundamental rights and freedoms.

Statement on how the Bill concerns county governments

This Bill is expected to ensure that the production of maize, wheat and scheduled agricultural produce is enhanced and cascaded to the farmers in the counties. In addition, the county government will be able to buy the produce directly from the farmers. The provision of crop and animal husbandry services is a function that falls within the ambit of the county governments as specified under Part 2 of the Fourth Schedule to the Constitution.

The Bill is therefore a Bill concerning county governments in terms of Article 110(1) (a) of the Constitution.

Statement that the Bill is not a money Bill, within the meaning of Article 114 of the Constitution

This Bill is not a money Bill within the meaning of Article 114 of the Constitution.

Dated the 16th July, 2015.
