MEMORANDUM OF OBJECTS AND REASONS

Statement of objects and reasons

The principal object of this Bill is to amend section 58 of the County Governments Act, No. 17 of 2012, to provide for the appointment of human resource management professionals as chairpersons of the County Public Service Boards.

The purpose of this amendment is to build the capacity of the County Public Service Boards to enable them to execute their mandate in a professional manner. This is in view of the fact that there have been serious concerns over service delivery in key human resource functions such as recruitment, selection, performance management, training and development, change management and human resource development by the county governments since their inception in 2013.

The Bill is therefore intended to inject professionalism in the human resource functions of the County Public Service Boards to ensure quality service delivery in the counties.

Statement on the delegation of legislative powers and limitation of fundamental rights and freedoms

The Bill does not limit fundamental rights and freedoms neither does it delegate any legislative power.

Statement on how the Bill concerns county governments

This Bill seeks to amend the County Governments Act, 2012 on matters relating to the qualifications of the chairpersons of the County Public Service Boards. The Bill therefore directly affects the functions and powers of the county governments set out in the Fourth Schedule to the Constitution.

The Bill is therefore one that concerns county governments in terms of Article 110(1)(a) of the Constitution.

Statement that the Bill is not a money Bill, within the meaning of Article 114 of the Constitution

This Bill is not a money Bill within the meaning of Article 114 of the Constitution.

Dated the 19th April, 2018.

AARON CHERUIYOT,
