MEMORANDUM OF OBJECTS AND REASONS

Statement of the Objects and Reasons for the Bill

The principle object of the Bill is to establish the office of the county printer in each of the forty-seven counties.

The establishment of this office is necessitated by the provisions of the County Governments Act, 2012 which makes reference to publication of Bills, Acts and other documentation in a "county gazette". The Act does not however provide for the establishment of the Office of a County Printer that would publish such gazettes.

Article 185 (1) of the constitution provides for the legislative authority of county governments in the following terms-

Legislative authority of county assemblies.

185. (1) The legislative authority of a county is vested in, and exercised by, its county assembly.

Article 199 of the Constitution provides as follows—

Publication of county legislation.

199. (1) County legislation does not take effect unless published in the Gazette.

(2) National and county legislation may prescribe additional requirements in respect of the publication of county legislation.

County Governments Act No. 17 of 2012

Section 23 of the County Government Act provides as follows—

Publication of a Bill

23. A Bill shall be published by including the Bill as a supplement in the county Gazette and the Kenya Gazette.

Section 25 of the Act further provides for the coming into force of legislation passed by the county assembly in the following terms—

Coming into force of a law.

25. (1) A legislation passed by the county assembly and assented to by the governor shall be (emphasis our own) published in the county Gazette and Kenya Gazette within seven days after assent.

(2) Subject to subsection (3), the county assembly legislation shall come into force on the fourteenth day after its publication in the county Gazette and Kenya Gazette, whichever comes earlier, unless the legislation stipulates a different date on or time at which it shall come into force.
Section 30 (2) (1) of the Act provides that "subject to the Constitution, the governor shall sign and cause to be published in the county Gazette, notice of all important formal decisions made by the governor or by the county executive committee".

The foregoing provisions require the publishing of county legislation and certain important formal decisions in the county gazette. Section 2 of the Act defines a county gazette to mean a gazette published by the authority of the county government or a supplement of such gazette.

Presently county governments rely on the Office of the Government printer to publish their legislation and any other matter required to be published. This Bill seeks to establish a legal framework for the independent publishing of laws and other official documents by the 47 counties.

Overview of the Bill

(a) the Bill proposes the establishment of the office of the county printer as an office in the office of the county executive committee member responsible for matters relating to information (Clause 4);

(b) the functions of the office shall be mainly to publish all authorised documents, advise and form partnerships on all matters relating to printing and publishing and ensure there is no duplication in the printing and publication of documents. It should be noted that documents may be authorised for publication by an authorized officer who include: governor, the Speaker or the Clerk of a County Assembly, County Executive Committee Member or the chairperson or secretary of an independent board or commission at the county (Clauses 5 and 6);

(c) the office shall be headed by the county printer who shall be competitively recruited by the county public service board based on the possession of a relevant degree experience and compliance with the requirements of integrity under Chapter 6 of the Constitution (Clause 9);

(d) the county printer shall be in charge of the day to day management of the office and shall, among other things, appoint staff to the office in consultation with the county secretary, manage the funds of the office, implement policy and operationalize plans (Clauses 9 and 10);

(e) the Bill proposes that a county gazette be published at least once every week and at any other authorized time. It further proposes
to proscribe the publishing of documents for purposes of advertising or for any other commercial gain (Clauses 7 and 8);

(f) the Bill proposes to give the county secretary the power to make regulations for the better carrying out of the provisions of the proposed law (Clause 11).

How the Bill Concerns County Governments

Article 110 (1) (a) of the Constitution provides as follows-

**Bills concerning county government.**

110. (1) In this Constitution, “a Bill concerning county government” means—

(a) a Bill containing provisions affecting the functions and powers of the county governments set out in the Fourth Schedule;

The Constitution and the County Governments Act provide for various functions of the different arms of county government. These functions, including the passing of legislation and the making of important executive decisions, enable county governments to discharge their functions as set out under Part 2 of the Fourth Schedule to the Constitution. Article 185 (2) of the Constitution limits the legislative authority of county assemblies in the following terms-

A county assembly may make any laws that are necessary for or incidental to, the effective performance of the functions and exercise of the powers of the county government under the Fourth Schedule.

This Bill is therefore a Bill concerning county governments in terms of Article 110 (1) (a) of the Constitution.

**Statement that the Bill is not a money Bill, within the meaning of Article 114 of the Constitution**

This Bill is not a money Bill within the meaning of Article 114 of the Constitution.
