MEMORANDUM OF OBJECTS AND REASONS

Statement of the Objects and Reasons for the Bill

The principal object of this Bill is to amend the Commission on Administrative Justice Act, No. 23 of 2011 to provide for the decentralization of the office of the Commission on Administrative Justice.

The Bill, in amending the Commission on Administrative Justice Act seeks to ensure that the Commission establishes satellite offices in all counties to bring its services closer to the people. Under the Bill, all the counties shall have a branch of the office of the Commission on Administrative Justice which shall ensure that the members of the counties have easy access to the offices to report their grievances.

The Bill also seeks to repeal the sunset clause on the possible merger of the Commission on Administrative Justice and the Kenya National Commission on Human Rights as there is still need for a body that performs the functions of an ombudsman in the public sector. Further, it is observed that the Commission on Administrative Justice has been conferred the powers to administer the Access to Information Act and the Fair Administrative Action Act. The Commission on Administrative Justice is therefore necessary as a stand-alone Commission.

Statement on the delegation of legislative powers and limitation of fundamental rights and freedoms

The Bill does not delegate legislative powers nor does it limit the fundamental rights and freedoms.

Statement on how the Bill concerns county governments

The Bill is expected to ensure that members of the county are able to report maladministration practices in the public service with ease as well as facilitate their easy interaction with the Commission.

The function of the Commission to investigate any conduct in state affairs, or any act or omission in public administration by any State organ, State or public officer in National and County Governments that is alleged or suspected to be prejudicial or improper or is likely to result in any

impropriety or prejudice is a function that affects the functions and powers of county governments as specified under Part 2 of the Fourth Schedule of the Constitution.

The Bill is therefore is a Bill concerning county governments in terms of Article 110 (1) (a) of the Constitution.

Statement that the Bill is not a money Bill, within the meaning of Article 114 of the Constitution

This Bill is not a money Bill within the meaning of Article 114 of the Constitution.

Dated the 29th March, 2019.

PETRONILA W. LOKORIO,
