(3) Where the Board intends to exercise any power under subsection (2), it shall give reasonable notice of its intention to do so to the person having control of such infrastructure utility, and such person shall cause to be removed such infrastructure utility within sixty days:
Provided that service of the notice through a newspaper of wide circulation in Kenya shall be considered to be a proper notice under this Act.

(4) Where, under subsection (2) or (3), a person having control of an infrastructure utility fails to remove the infrastructure utility within the time stated in the notice, the Board may remove such infrastructure utility at the cost of the person who was unable to comply with the notice under subsection (3).

Occupation of private land

35. (1) The Board may—

(a) in the development, construction, rehabilitation or maintenance of a road;

(b) in the construction of a temporary road for use by the public pending the carrying out of the road works under paragraph (a); or

(c) in providing a temporary road for use by the public where a road has become impassable, use and occupy for such period as may be necessary for the carrying out of the road works, any land along or adjoining the road in relation to which the road works are to be carried out.

(2) The Board shall not occupy land under subsection (1) unless it has issued to the registered owner or occupier of the land, a notice of at least thirty days of its intention to occupy the land.

(3) The Board shall not be required to issue a notice under subsection (2) where—

(a) in the opinion of the Board and with the concurrence of the Executive Committee member, it is necessary as a matter of urgency to use and occupy land that is more than fifteen metres from a dwelling-house for the purpose of reconstructing or repairing a particular road; and

(b) the Board gives the occupier of the land such notice as is practicable in the circumstances and, immediately after giving the notice, reports to the Executive Committee member the circumstances requiring such a notice to be dispensed with.

(4) The Board shall not use or occupy land under subsection (1) where the land is located within fifteen metres of a dwelling house unless—
(a) the occupier of the land has consented in writing to the use or occupation, or

(b) if that consent is not given, the respective County Executive Committee member has given written authority for the use or occupation.

(c) The Board shall compensate an owner of land for any loss or damage arising from the exercise of powers under this section.

**Power to take water or access to material sites etc**

36. (1) The Board may, for its purposes, take any water from any natural watercourse subject to the Water Act, 2002.

(2) Subject to the Constitution the Board may, by its agents and officers, for the purpose of the construction and maintenance of roads or the carrying out of any works which it is empowered under this Act or under any agreement, direction, delegation or transfer entered into, given or made under this Act to carry out, may enter upon land and remove there from any soil, clay, rock, gravel, murram, lime, sand, shale, shingle, slate or surface soil, and may carry across any land, by a route to be agreed between the owner and in the event of failure to agree, cause to be acquired compulsorily such land, and remove such material, and may provide within the land in connection with such functions labour or other camps, works buildings, access roads, and space for stockpiling, and may erect machinery and other gear for the purpose of quarrying any such material.

(3) Before entering upon any land for the purpose of exercising any of the powers conferred by subsection (1), the Board shall give not less than one month’s notice by personal service or by registered post to the last known address of the owner or occupier of such land, of the intention to enter upon such land, the powers which it proposes to exercise, and the area of such land to which it will confine its activities.

(4) If the owner or occupier of such land is aggrieved by the proposed exercise by the Board of the powers conferred by this section or by the proposed exercise of the powers in the area specified in the notice, he may, within one month from the service upon him of the notice under subsection (3), make representations to the National Land Commission thereon and shall within the same period inform the Board of the nature of such representations.

(5) Where representations are made to the National Land Commission under subsection (4), the National Land Commission may, after consulting the Board concerned, give such direction to the Board thereon as it thinks fit.
(6) Compensation shall be payable by the Board to the owner or occupier of any land for any damage done to buildings, roads or crops, or otherwise, in the exercise by it of any of the powers conferred upon it by this section, and for any interference with the rights of occupancy of such land.

(7) If, as a result of the exercise of any of the powers conferred by this section, a danger to persons (other than employees of the Board or of their agents) or to domestic animals is created, the Board shall, at the request of the owner or occupier of the land, carry out fencing at its own expense to such an extent as adequately to guard against such danger.

(8) The sites for any labour or other camps to be provided by the Board and the alignment of any roads of access shall be determined by the road authority only after consultation with the owner and occupier of the land on which the same are to be situated.

(9) Any pit or quarry made in exercise of any of the powers conferred by this section shall, at the request of the owner or occupier of the land, be filled up or, in the discretion of the Board, fenced, at the expense of the Board, when the Board abandons such pit or quarry.

(10) This section shall be subject to the Forests Act and any rules made thereunder, and to the extent of any inconsistency between this section and that Act and any rules thereunder, the latter shall prevail.

(11) For the purpose of this section, the expression "owner or occupier" means in respect of Government land, the National Land Commission, in respect of Trust land (other than land the title to which is registered under the Land Consolidation Act) means the county, and in respect of forest areas, means the Chief Conservator of Forests.

**Power to divert roads**

37. (1) The Board may, for its purposes, temporarily close or divert a public road and similarly close or to divert a county road permanently.

(2) It shall be lawful for the Board or its authorized representative, for the purpose of preventing damage being caused to any road or for the purpose of carrying out any works which it may consider necessary or desirable in connection with the maintenance or improvement of a road, to close the whole or any part of such road to all vehicles or any particular type of vehicles at any time for any period it may think fit.

(3) It shall be unlawful for the driver or person in charge of any vehicle to drive or haul the vehicle or cause it to be driven or hauled over any portion of a road which is closed to traffic and where a conspicuous notice is displayed to the effect that the road is closed, unless the driver or
person in charge of the vehicle has received permission, in writing, from the Board or relevant national Authority.

Railway crossing

38. (1) Subject to subsection (2), where a railway has been or is proposed to be constructed so as to cross a road, the Board shall require the owner or operator of the railway to erect such gates and to execute such other works as may be necessary for the safety of the public.

(2) The Board shall, before making any requirement under this section, communicate with the owner or operator of the railway and shall take into consideration any representations made by the owner or operator.

(3) Where as a result of a requirement made by the Board under this section, any works are to be constructed by the owner or operator of the railway, the manner of construction of such works and the apportionment of the cost of construction and maintenance thereof shall be determined by an agreement between the owner or operator of the railway and the Board, and if no such agreement is made, it shall be determined by an arbitrator appointed by the Executive Committee member responsible for roads.

Certain powers relating to inter-county roads

39. (1) The Board shall have power to require the owner of any land to remove, lower or trim to the satisfaction of the Board any tree, shrub or hedge overhanging or interfering in any way with the traffic on any road or with any wires or works within the road.

(2) In this section—

“Inter-county road” includes a bridge, drain and other services associated with a road and that crosses or runs along the boundaries of more than one county government.

(3) The Board shall in consultation with the Executive Committee member responsible for roads be responsible to maintain an inter county road in accordance with the terms agreed between Kisumu County Government and the relevant county government.

(4) The Executive Committee member shall in consultation with the Board, where a county road crosses or runs along the boundaries of another county, enter into an agreement in accordance with a national legislation and this Act.

County bridges

40. (1) A driver or a person in charge of a vehicle shall not drive or haul a vehicle or cause it to be driven or hauled over any bridge on or near
a conspicuous notice which has been placed to the effect that such bridge is insufficient to carry traffic in excess of a specified weight, unless—

(a) the gross weight of the vehicle and any trailer attached thereto is less than the weight specified; or

(b) the driver or person in charge of the vehicle has obtained the consent, in writing, of the relevant national Authority or the County Agency.

(2) Where a road or bridge is damaged—

(a) by reason of a vehicle passing over it in contravention of the provisions of subsection (1) or of the Cap. 403. axle load restrictions under the Traffic Act, East African Community Vehicle Load Control Act or the provisions of any regulations made under this Act; or

(b) by reason of any vehicle passing over a bridge on the road or coming into contact with any portion thereof other than the surface of the road,

(c) it shall be lawful for the Board to make good such damage and to recover the cost thereof from the owner of the vehicle, and the person driving or hauling it shall be jointly and severally liable to the Board for the damage.

(3) A certificate under the hand of any person authorized on that behalf by the Board stating the amount of the cost of making good such damage under subsection (2) shall be prima facie evidence of such cost.

Road user charges

41. (1) The County Executive Committee Member responsible for the county treasury may make Regulations in accordance with this section authorizing the imposition and collection of road user charges by the Board in respect of roads, including inter-county and county roads.

(2) A road user charge shall be a charge levied in respect of the distance travelled by a vehicle on a road—

(a) for the purpose of recovering the cost of maintaining, repairing and replacing the road; and

(b) reasonably related to the impact of that vehicle on such cost.
