MEMORANDUM OF OBJECTS AND REASONS

The Bill seeks to provide a legal framework for establishment of Meru Teaching and Referral Hospital Board as a body corporate to ensure provision of specialized and quality healthcare to the people of Meru County in accordance with the Constitution and other relevant laws. The Bill seeks to convert the facility as now existing into a top teaching and referral hospital by delinking it from the other health facilities under the County Government.

The Bill also seeks to deal with the issue of inadequate medical personnel, medicines and inadequate facilities at county government hospitals, especially in terms of specialized services including but not limited to ICU, cancer center, MRI, renal units and many others. The Bill also seeks to protect citizens from catastrophic health expenditure associated with specialized healthcare interventions.

PART I of the Bill provides for preliminary provisions. This Part provides for the purpose of the Bill as promoting access to health services, facilitation of realization of the rights to health care as provided for under Article 43 of the Constitution as well as realization of consumer health rights.

PART II of the Bill provides for health services management. The Part provides for the functions of the Meru Teaching and Referral Hospital and prescribes creation of a board of directors to manage the affairs of the Hospital. The mode of appointment and powers of the Board as well as the Director of the Hospital are highlighted.

PART III of the Bill provides for financial provisions, which includes the source of funding and procurement of medicines and medical supplies. The Part provides for funds to administration of this act. It also looks at auditing of the accounts to ensure fiscal responsibility.

PART IV of the Bill provides for miscellaneous provisions, which includes procurement, specialized units and the powers of the Executive Member to make regulations and obligatory health policies that the Executive Member must facilitate their development.

The enactment of this bill will result in additional expenditure of public funds to be provided for through the annual budget estimates.

Dated the 21st day of June, 2019

MARTIN MWORIA MUTHURI,
Chairperson, Sectorial Committee on County Health Services.
