MEMORANDUM OF OBJECTS AND REASONS

Statement of Objects and Reasons for the Bill

The Principal object of this Bill is to provide a legislative framework for the training, registration and licensing of radiographers, so as to regulate their practice.

Part I of the Bill provides for preliminary provisions including the title of the Bill and the interpretation of terms used in the proposed Act.

Part II of the Bill provides for the Radiographers Board

Clauses 3 to 11 of the Bill provides for the establishment, composition, functions and powers of the Radiographers Board. The Board shall consist of nine members. It is further proposed that the Board shall be the regulatory body in respect of the training, licensing and control of the practice of radiography in Kenya. This part also provides for the office of the Registrar who is appointed by the Board and shall be the secretary to the Board.

Part III of the Bill is on the training and registration of radiographers.

The Bill in clause 19 provides for approved institutions in charge of training radiographers. This part also contains provisions on set out requirements of persons to be registered as radiographers. Provisions on registration of radiographers are also provided for under this part of the proposed legislation. The Registrar of the Board shall maintain a register for all persons registered as radiographers under this Act. It proceeds to provide for the process of removal of members from the register. This Part will affect mostly institutions and courses that are foreign based as it proposes to exempt institutions and courses approved under the Universities Act from the requirements of this Part.

Part IV of the Bill contains provisions relating to private practice.

It is proposed that radiographers wishing to offer their services directly to the public be issued with an annual practicing certificate by the Board so as to safeguard the public from unfit persons purporting to offer these services and this part sets out the qualifications for private practice. The procedures for application of a practicing certificate, validity of a practicing certificate, and renewal and cancellation and suspension of practicing certificate are also set out under this Act.

Part V of the Bill contains provisions relating to discipline of registered radiographers.

The Bill proposes to establish a Disciplinary Committee of the Board whose functions shall be to inquire into any matter referred to it by the
Board where there is professional misconduct, impropriety and negligence by a practitioner.

**PART VI** of the Bill provides for financial provisions

The funds of the Board shall comprise of grants, gifts, donations and such fees, monies and assets as may accrue to the Board. The financial year of the Board shall run for twelve months ending on the thirtieth day of June in each year. This part of the Bill also provides that accounts and audit shall be kept by the Board at all times.

**Part VII** of the Bill deals with miscellaneous provisions.

Clause 35 of the Bill deals with certificates and provides that the certificates shall be issued by the board and proceeds to state that a person who destroys or defaces a certificate shall be guilty of an offence. This part provides for offences and the general penalty.

**Statement of the delegation of legislative and limitation of fundamental rights and freedoms**

**PART VII**- provisions on delegated powers

This Bill once enacted would confer on the Board power to make rules for the purposes of bringing into effect the provisions contained in the Bill. The Bill therefore delegates legislative powers. The Bill however does not limit fundamental rights and freedoms.

**Statement on how the Bill concerns County Governments**

The Bill is not a bill concerning county governments

**Statement that the Bill is a money Bill**

The enactment of this Bill shall occasion additional expenditure of public funds.

Dated the 19th June, 2019.

SABINA W CHEGE,
Member of Parliament.
