MEMORANDUM OF OBJECTS AND REASONS

Statement of the Objects and Reasons for the Bill

Article 54(1) of the Constitution provides for various rights in relation to persons with disability. These include the right to access various social amenities and the right to be treated with dignity and respect. The Constitution further establishes two levels of government, the national government and the county governments. These two levels of government have an obligation to ensure that persons with disability within their jurisdiction are protected and that the requirements of Article 54(1) of the Constitution are met.

It is in this context that this Bill proposes to impose obligations on each level of government to address the socioeconomic needs of persons with disability. The Bill proposes to bestow upon the county executive committee member for the time being in charge of matters relating to persons with disability the responsibility to advise on and put in place measures to ensure the socio-economic development of persons with disability in the county.

The Bill also seeks to align the Persons with disability Act, 2003 with the Constitution.

The Bill further proposes to review the membership of the National Council for Persons with disability to include a nominee of the Council of County Governors in order to make the workings of the Council more efficient and representative.

Statement on the delegation of legislative powers and limitation of fundamental rights and freedoms

The Bill does not delegate legislative powers nor does it limit any fundamental rights and freedoms.

Statement on how the Bill concerns county governments

The Bill outlines the obligations of the county government in regard to securing the rights of persons with disability in the county.

The Bill is therefore a Bill concerning county governments in terms of Article 110(1)(a) of the Constitution.

Statement that the Bill is not a money Bill, within the meaning of Article 114 of the Constitution

This Bill is not a money Bill within the meaning of Article 114 of the Constitution.

Dated the 3rd June, 2020.
