MEMORANDUM OF OBJECTS AND REASONS**Statement of the Objects and Reasons for the Bill**

The principal purpose of the Bill is to amend the County Governments Act, 2012 to provide clarity in the operations of the County Assembly Service Board in instances where the office of a Speaker becomes vacant. Section 12(3) of the County Governments Act provides that the Speaker of the county assembly shall serve as the chairperson of the Board with a vice-chairperson being elected by the Board from the members.

In recent times, there have been instances in several county assemblies where the Deputy Speakers acting as Speakers have assumed the office of the Chairperson of the Board. The Bill therefore seeks to address this challenge.

Further, the Bill seeks to provide a framework for consultation between members of Parliament, the county executive, county assembly and the national executive. The Bill proposes a platform through which leaders at the two levels of government can meet and deliberate on the legislative and development agenda of the respective county government. The Bill is also a fulfillment of Article 189 of the Constitution which requires national and county governments to consult, coordinate and cooperate in the performance of their respective functions.

Statement on the delegation of legislative powers and limitation of fundamental rights and freedoms

The Bill does not delegate legislative powers nor does it limit fundamental rights and freedoms.

Statement of how the Bill concerns County Governments

The Bill seeks to provide a formal mechanism for regular consultation between leaders drawn from the different levels of government within the county and to provide a platform through which the leaders at the two levels of government can meet and deliberate on the development and financial agenda of the respective county government. A coordinated approach to development at the national and county level of government will guarantee the effective delivery of services by county governments in discharge of the functions as set out in the Constitution. Further, the County Assembly Service Board is an integral office in the management of county governments

The Bill is therefore one that concerns county governments in terms of Article 110(1)(a) of the Constitution as its provisions affect the functions and powers of county governments as set out in the Fourth Schedule to the Constitution.

Statement that the Bill is not a money Bill within the meaning of Article 114 of the Constitution

The Bill is not a money Bill within the meaning of Article 114 of the Constitution.

Dated the 10th May, 2021.

MOSES OTIENO KAJWANG,
Senator.
