   (ba) make provisions for the prohibition of the introduction, growth or maintenance of trees of the eucalyptus species in and along any river, lake, sea or wetland.
Statement of Objects and Reasons for the Bill

The principal object of the Bill is to amend Section 147 of the Environmental Management and Co-ordination Act, No. 8 of 1999 to permit the Cabinet Secretary to make regulations to prohibit the planting of eucalyptus trees along rivers, lakes, seas, and wetlands. Clause 1 of the Bill provides for the short title.

Clause 2 of the Bill provides for the insertion of paragraph (ba) in subsection (2) of section 147 to allow the Cabinet secretary to make regulations to provide for the prohibition of introduction, growth or maintenance of trees of the eucalyptus species in and along any river, lake, sea, or wetland.

Statement on the delegation of legislative powers and limitation of fundamental rights and freedoms

The Bill delegates legislative powers to the Cabinet Secretary but does not limit fundamental rights and freedoms.

Statement that the Bill concerns county governments

The Bill concerns county governments in terms of Articles 110(1)(a) of the Constitution. It affects the functions of county governments under Paragraph 10 of Part 2 of the Fourth Schedule to the Constitution on implementation of specific national government policies on natural resources and environmental conservation.

Statement that the Bill is a money Bill within the meaning of Article 114 of the Constitution

The enactment of this Bill shall not occasion additional expenditure of public funds.
