## **MEMORANDUM OF OBJECTS AND REASONS**

### **Statement of the Objects and Reasons for the Bill**

The principal purpose of the Bill is to put in place mechanisms for the protection of the interests of Kenyans living abroad and to ensure their active participation in the socio-economic development of the country.

The collective community of Kenyans living abroad play an important role in the development agenda of the country. For instance, foreign remittances account for a substantial percentage of the Gross Domestic Product. The Bill seeks to enhance these contributions while simultaneously tapping into the skills and expertise of Kenyans living abroad.

The State is expected by the Constitution to safeguard the welfare of all Kenyan citizens be they home or away. It is on this premise that the Bill has also proposed enhanced Kenya mission services and provided a framework for the voluntary establishment of associations of Kenyans living abroad.

These two-prong approach will ensure that not only is the State aware of the challenges of its citizens abroad but also Kenyans living abroad can collectively advocate for their needs.

The Bill also make provision for—

- (a) immigration related offences;
- (b) enforcement of immigration laws;
- (c) delegation of powers and assignment of duties by Cabinet Secretary to the Director-General;
- (d) penalties and immigration offences of aiding, abetting or participating in document fraud or human trafficking;
- (e) empowerment of immigration officers to effectively enforce the Act; and
- (f) establishing of immigration courts in line with international best practices.

### **Statement on the delegation of legislative powers and limitation of fundamental rights and freedoms**

The Bill does not delegate legislative powers, nor does it limit the fundamental rights and freedoms.

**Statement on how the Bill concerns county governments**

The Bill proposes to enhance the participation of Kenyans living abroad in the socio-economic development agenda as well as governance processes. Development and governance processes involve the delivery of services and discharge of functions by both the national and county governments.

The provisions of the Bill will have an impact on the discharge of devolved functions by county governments. The Bill is therefore a Bill concerning county government in terms of Article 110 (1) (a) of the Constitution.

**Statement that the Bill is not a money Bill, within the meaning of Article 114 of the Constitution**

This Bill is not a money Bill within the meaning of Article 114 of the Constitution.
