LEGAL NOTICE No. 119

THE TRAFFIC ACT

(Cap. 403)

IN EXERCISE of the powers conferred by section 119 of the Traffic Act, the Minister for Power and Communications hereby makes the following Rules:—

THE TRAFFIC (AMENDMENT) (No. 2) RULES, 1971

1. These Rules may be cited as the Traffic (Amendment) (No. 2) Rules, 1971.

2. The Traffic Rules are hereby amended—

Cap. 403
Sub. Leg.

(i) by the deletion of paragraph (2) of rule 5 and by substituting a new paragraph as follows—

(2) (a) On the first licensing of any vehicle, the applicant for such licence shall apply in form A, and thereafter every application for a licence in respect of that vehicle shall be made in form B, in the Second Schedule to these Rules;

(b) The Registrar shall be informed of the transfer of ownership of a motor vehicle in form C in the said Second Schedule.

(ii) by the deletion of Forms I, II, III and IV, which appear in the Second Schedule thereto, and by substituting therefor three new forms as follows—

NOTES

1. In the case of a motorcycle particulars of side-car (if any) must be given.

In the case of a lorry description of body should be either *Platform, Sided, High Sided, With Stays, Tipping or Totally Enclosed*.

In the case of a car description of body should be either *Saloon, L.D.V., Box Body, Panel Van, Station Wagon, Open Tourer or Special Type*.

2. If a new vehicle, evidence such as the manufacturer's or an accredited agent's sales delivery note, invoice or the like should be supplied.

If not a new vehicle, a satisfactory explanation must be supplied as to why it has not previously been registered.

If imported, by other means than through an accredited agent, the owner must be in possession of an export permit, other than a temporary permit or permit for exportation for a limited period only, showing that the vehicle has been lawfully exported from its country of origin or the country in which it was last registered, if such is required by the law of that country, and proof that the vehicle has been lawfully imported into Kenya.

3. The term "*Other Oil*" includes gas oil, kerosene, tractor vaporizing oil and paraffin. Where a vehicle is propelled by either diesel or other oil, even though the engine may be started up with another fuel (e.g. petrol) the answer to question (g) overleaf should be "diesel oil" or "other oil" as the case may be.
4. When completed, this form must be sent or taken to a licensing officer, together with the fee payable and, if a licence is required, a current certificate of insurance or certificate of security in respect of Third Party Risks (and the registration book if the vehicle has been previously registered).
